Nominating Committee

It's that time of year again - if you've been wondering how you can get involved in JASNA-Puget Sound, we have the answer! We have a couple of vacancies on our board. We are still without a Newsletter Editor - we've not had a newsletter now for two years - we are making do with this email notification, but a regular newsletter would be better! And we need two people to volunteer to be program coordinators! Without programs, we'd have awfully short meetings! Please consider volunteering - I promise you, it's lots of fun and our group is terrific in stepping forward to help out. Two people should work together on programs, as it IS a big job, but so much fun - and you get to plan the programs! If you think you'd like to volunteer, please contact someone on our Nominating Committee - Jim Nagle, Elaine Weeks or Judy Hademan. They'll give you more information about the jobs!

2019 plans!

Save the Dates!

February 10, April 6, June 9, August 11, October 13 and December 8

We are finalizing next year's programs and have two extraordinary programs to tell you about. Both involve invitations to a very special celebration!

April 6, 2019

Our regular "Second Sunday" meeting is moving in April 2019 to the first Saturday with An Invitation to Pemberley!

Mr. Fitzwilliam Darcy requests the pleasure of your company at a "Country House Party" for the day and evening of Saturday, April 6, 2019.

The beautiful University Women's Club will provide the gorgeous Georgian backdrop for a full day of lectures, entertainments, a pre-ball supper, and an evening ball.

This will be a ticketed event - as soon as tickets are available, we'll let you know. Meanwhile, you'll want to save that special Saturday in your calendar!

June 9, 2019

Mr. and Mrs. Bennet cordially invite you to a Wedding Breakfast for their daughters and new sons,
Miss Jane Bennet and Mr. Charles Bingley and
Miss Elizabeth Bennet and Mr. Fitzwilliam Darcy.

This special celebration is being brought to you by your fellow members who are researching the dishes that might be served at a Regency Wedding Breakfast and will provide their renditions of those dishes for a meeting that will long be remembered. A few years ago, we did a similar program on the food at the Netherfield Ball - this was the logical follow-up. If you were at that meeting, you know what a treat is in store. If you missed it - be sure to mark your calendar, as this will be a very special meeting, indeed!

AGM 2019

It's not too soon to be planning for the AGM in 2019! (October 4-6) Since it's happening in Colonial Williamsburg, it's bound to be popular. A group of us from the Puget Sound area want to stay in some of the historic housing - either we would take over a house in the historic district, or perhaps rent rooms in one of the taverns. These rooms are at a premium since there are so few of them, and so many people will be vying for them at once. So, we want to be prepared. Right now, they are not yet open to be rented for October 2019 but will be in a few weeks. Depending on how many of us there are, we will weigh our options not too long after we return from this year's AGM, to be ready to act as soon as the space is available. If you're interested in such housing with a group from our region, please let Julie Buck or Kimberly Milham know.
